DECLARATION OF CONTINUATION-IN-PART FOR PATENT APPLICATION

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention pursued in U.S. Patent Application Serial No. 10/733,181, which was filed December 10, 2003.

This application in part discloses and claims subject matter disclosed in the currently pending U.S. Patent Application Serial No. 10/656,732, which was filed September 4, 2003.

I hereby state that I have reviewed and understand the contents of the specification of U.S. Patent Application Serial No. 10/733, 181, including the claims.

I hereby claim continuation-in-part benefit under Title 35, United States Code, §120, to the filing date of U.S. Patent Application Serial No. 10/656,732 for subject matter of U.S. Patent Application Serial No. 10/733,181.

I acknowledge the duty to disclose information known to me to be material to patentability as defined in Title 37, Code of Federal Regulations §1.56, including any such information which became available between the

filings date of the prior application 10/656,732 and the national or PCT international filing date of this application 10/733,181.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statement may jeopardize the validity of the application or any patent issued therefrom.
